## MEMORANDUM

TO: All State Agencies That Offer Voter Registration Applications

FROM: Michael Bushmann, Deputy Secretary for Elections *MB*

DATE: June 18, 2008

RE: Important Election Deadlines and Voter Registration Poster

There are four very important upcoming dates that I want to draw your attention to:

- **July 9, 2008** – the last day to register to vote in the August primary election;
- **August 5, 2008** – Primary Election Day;
- **October 8, 2008** – the last day to register to vote in the November general election;
- **November 4, 2008** – General Election Day.

It is very important that each voter registration application that is signed and dated by the registration deadline be forwarded to the local election authority for proper processing. Please be sure that you are sending all completed voter registration applications within 5 business days (or sooner) of completion by the applicant. If you have further questions, please refer to the National Voter Registration Act implementation guide that was provided for your office. This guide may also be found on our website at: [http://www.sos.mo.gov/elections/NVRA\\_ImplementationGuide.pdf](http://www.sos.mo.gov/elections/NVRA_ImplementationGuide.pdf)

Thank you for all of your efforts to facilitate participation in the voting process. Should you have any questions or concerns, please do not hesitate to contact the Elections Division at (800) 669-8683.
